**COMMENTS ON STATEMENT  
OF REASONS FOR ALLOWANCE**

Dear Sir:

Responsive to the Notice of Allowability mailed July 5, 2005, Applicant submits the following remarks responsive to the Examiner's Statement of Reasons for Allowance.

Katcha et al.

U.S. Serial No. 10/604,192

**REMARKS**

In response to the Examiner's Reasons for Allowance, Applicant believes that a separate Statement of Reasons for Allowance is unnecessary in the present case as the file history sufficiently sets forth the patentable distinctions of claims 1, 3-12, 14, 16-19, and 21-26.

The patentability of claims 1, 3-12, 14, 16-19, and 21-26 lies in each claim as a whole. That is, a single particular element or feature of a claim does not define the claim's patentability, but rather, it is the combination of elements and the interconnection therebetween that define the invention. The claims cannot be considered to be limited in scope based on this brief statement by the Examiner.

Further, Applicant does not acquiesce to the accuracy of the Examiner's statements in the Reasons for Allowance regarding the prior art nor the Examiner's partial paraphrasing of the claim elements. Applicant believes the file history speaks for itself.

Entry of these remarks is appreciated and Applicant cordially invites the Examiner to respond, should the Examiner disagree.

Respectfully submitted,

Timothy J. Ziolkowski
